Washington State Patrol - Fire Training Academy
50810 SE Grouse Ridge Rd, PO Box 1273
North Bend, WA, 98045

ENROLLMENT/FEES

Engine Companies	\$ 400
Truck Companies	\$ 400
Rescue Companies	\$ 400

FOOD SERVICE

Lunch is included with the cost of the course. Command officers can purchase lunch separately.

EQUIPMENT

The tools carried on your apparatus will be utilized to mitigate each scenario.

PPE – Turn out gear

Firefighters must be equipped with appropriate PPE that meets WAC 296-305-02001, Personal Protective Equipment and Protective Clothing. Extrication PPE may be appropriate for some scenarios.

This program was developed following the successful MCO format. Technical Extrication is designed to offer life like, challenging scenarios for your firefighters to respond to, take control and mitigate.

Topics covered include:

- * Incident Command, Scene Control & Responder Safety.
- * Auto extrication, with and without hydraulic rescue tools.
- * Structure Collapse Extrication
- * Shoring and Airbags
- * Mitigating Hazardous Conditions

A “Company” is a crew of 3 to 4 firefighters with apparatus. Participants must be Firefighter 1 competent, physically capable, cooperative, enthusiastic and ready to learn.

Command Officers can attend free of charge granted they participate in the IMS process.

Fire departments may be eligible for financial reimbursement from the Basic Firefighter Training program through the Office of the State Fire Marshal. (360) 753-0367.
